## PROFESSIONAL EXPERIENCE

---

### Co-Founder

February 2022 – August 2023

Junkaholics Removal & Demolition – Columbus, OH

- Managed daily operations, marketing, and sales while overseeing all financial activities, including budgeting, forecasting, and financial reporting, contributing to optimized financial performance.
- Earmarked contracts with institutions, yielding over \$100,000 in revenue within the inaugural ten months.
- Supervised a team of 15 in the transformation of 100 classrooms across 8 buildings at Central State University.
- Spearheaded the time-sensitive removal of three 45ft tall satellites for The Ohio State University.

### Blockchain Research Analyst

March 2022 – January 2023

MetroClick – New York, NY

- Produced comprehensive weekly reports integrating graphical data representations and meticulous analysis, providing insightful overviews of the prevailing blockchain sector and macroeconomic landscape.
- Spearheaded in-depth research endeavors to evaluate the viability of introducing a new product line within the NFT domain, contributing pivotal insights instrumental to senior management's strategic investment decisions.
- Collaborated with an internal cross-functional team to repurpose pre-existing technology, effectively innovating and delivering a novel product tailored to the demands of the evolving blockchain realm.

### Graphic Design and Sales Manager

May 2019 – September 2021

Campus Ink – West Lafayette, IN

- Created events and brand designs, while establishing connections, increasing participation, and brand engagement.
- Identified and initiated contact with a diverse range of prospects, resulting in a growth in the client base and revenue.
- Innovated and conceptualized visually captivating designs, attaining an approval rate from management and clients.

### Marketing Intern

May 2019 – August 2021

Barstool Sports – West Lafayette, IN

- Elevated brand visibility, website traffic, and sales through the execution of result-driven marketing campaigns and strategies, resulting in an increase in website visits and growth in sales during the internship tenure.
- Managed a branch account encompassing a substantial audience of 44,000 followers, enhancing engagement rates.
